

Monthly Sales Analysis – February 2017

February 2017 sales numbers have been released by SIAM and the team at EMMAAA has analysed the numbers in detail.

We don't think Demonetisation is an issue anymore. Most automotive segments are fast returning to their natural growth trajectory.

The monthly sales analysis is available as a PDF presentation. If you are a subscriber to the IAR mailer then you should be receiving the download link in your mailbox within the next few minutes. In case you are not, watch out for the pop up box on this website, inviting you to join our mailing list. It's useful and it's free.

Kindly do not email us – once you subscribe to the IAR mailer, you would be emailed links to download all the past sales analysis.
