

Monthly Sales Analysis – October 2016

October 2016 sales numbers have been released by SIAM and the team at EMMAAA has analysed the numbers in detail.

October 2016 was yet another awesome month for Two wheelers as sales grew at high double digits.

It was also a good month for the Commercial Vehicles segment as most segments returned to double digit growth.

However, Passenger Cars faced rough weather and growth in sales was slow.
